DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 8/16/2004 has been entered.

Allowable Subject Matter

2. Claims 1-20, 22 and 24-42 are allowed.

3. The following is an examiner's statement of reasons for allowance:

As claims 1, 11, 22, and 26, the prior arts fails disclose or make obvious to a method or system comprising the step of determining a sub path for each contiguous pair of Layer 3 devices in the Layer 3 path based on a spanning tree that is associated with a relevant VLAN for said each contiguous pair of Layer 3 devices within and concatenating the sub paths to result in creating and storing information representing the Layer 2 path within a structure of the claims.

As claims 7, 17 and 24-25, the prior arts fails disclose or make obvious to a method or system comprising the steps of determining whether any contiguous pair of Layer 3 devices has no sub path, concluding that there is no Layer 2 path when any contiguous pair of Layer 3 devices has no sub path, eliminating extraneous devices in the sub paths; and concatenating the sub paths to result in creating and storing information representing the Layer 2 path when each of the contiguous pairs of Layer 3 devices has a sub path within a structure of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
